

MoEFACS RECOGNITION AWARD

The MoEFACS Recognition Award is an award given to those outside the field of education in recognition of the highest meritorious contribution to the improvement, promotion, development and progress of Missouri Family and Consumer Sciences Education.

A recognition award may be given to an individual, business or organization. All nominations must come from MoEFACS members. The award will be made during the MoEFACS summer in-service conference in July.

To nominate a candidate, a member must complete an application form. This application includes a description of the nominee's activities, which have resulted in significant contributions to the improvement, promotion, development, and progress of Missouri Family and Consumer Sciences Education locally, statewide or nationally. Selection of recipients of awards will be based primarily on this description. Letters of endorsement may be included with the application, if desired. The Awards and Recognition Committee reserves the right not to make awards if, in their judgment, no worthy nominations are received.

The award nomination(s) must be **postmarked no later than February 13, 2004**, and mailed directly to:

Mary Beene, Chair
